

NOTICE OF INTENT TO ISSUE
AIR POLLUTION CONTROL
MINOR (SYNTHETIC)
PERMITS TO OPERATE

Take notice that the North Dakota Department of Health proposes to issue two renewal Air Pollution Control Permits to Operate to the Magellan Pipeline Company, L.P. for continued operation of the Grand Forks and West Fargo Terminals in accordance with the North Dakota Air Pollution Control Rules. The facilities are located in the cities of Grand Forks and West Fargo. The terminals receive, store and distribute gasoline and diesel fuels. The Magellan Pipeline Company, L.P. mailing address is P.O. Box 22186, Tulsa, OK 74121-2186. Permit revisions incorporate new EPA rules and do not increase previously permitted emission limits.

Thirty-day public comment periods for the draft permits will begin July 17, 2012 and end on August 16, 2012. Direct comments in writing to the North Dakota Department of Health, Division of Air Quality, 918 E Divide Avenue, Bismarck, North Dakota 58501-1947. Comments must be received by the end of the public comment periods to be considered in the final permit determinations. A public hearing regarding issuance of the permits will be held if a significant degree of public interest exists as determined by the Department. Requests for a public hearing must be received in writing by the Department before the end of the public comment periods.

The draft permits, applications and related documents are available for review at the above address and at the Grand Forks County and Cass County Auditors' offices, as appropriate for each facility. A copy of these documents may be obtained by writing to the Division of Air Quality or contacting Lew Dendy at (701)328-5188 or email ldendy@nd.gov.
